SUBJECT:

The Beautiful Mellon Exhibit!

1. Being an outlander [redacted] I don't often get to the Sacred Halls--but today I did and took the occasion to visit the Mellon bronzes. What a stunning exhibit! I wish I felt the Agency population realized what a privilege and treat it is to have access to the Melzac collection, and to have a Fine Arts Commission which can arrange it. The bronze figures are utterly delightful and I, for one, thank you and the commission for making it possible.

2. And to ask a favor. Some time ago you were able to send me one of the large posters advertising the [redacted] [redacted] I have it framed in the office and feel it adds something quite different and lovely. Would it be possible for me to have one of the large posters of the Mellon bronzes when you are finished with them, if no one has a prior claim? I would have it framed for the office, too. Eventually, perhaps I will have a nice collection of posters to remind the denizens of the boonies what they are missing!
